

Deleting Multiple Favorites from Internet Explorer
without having to do one at a time!

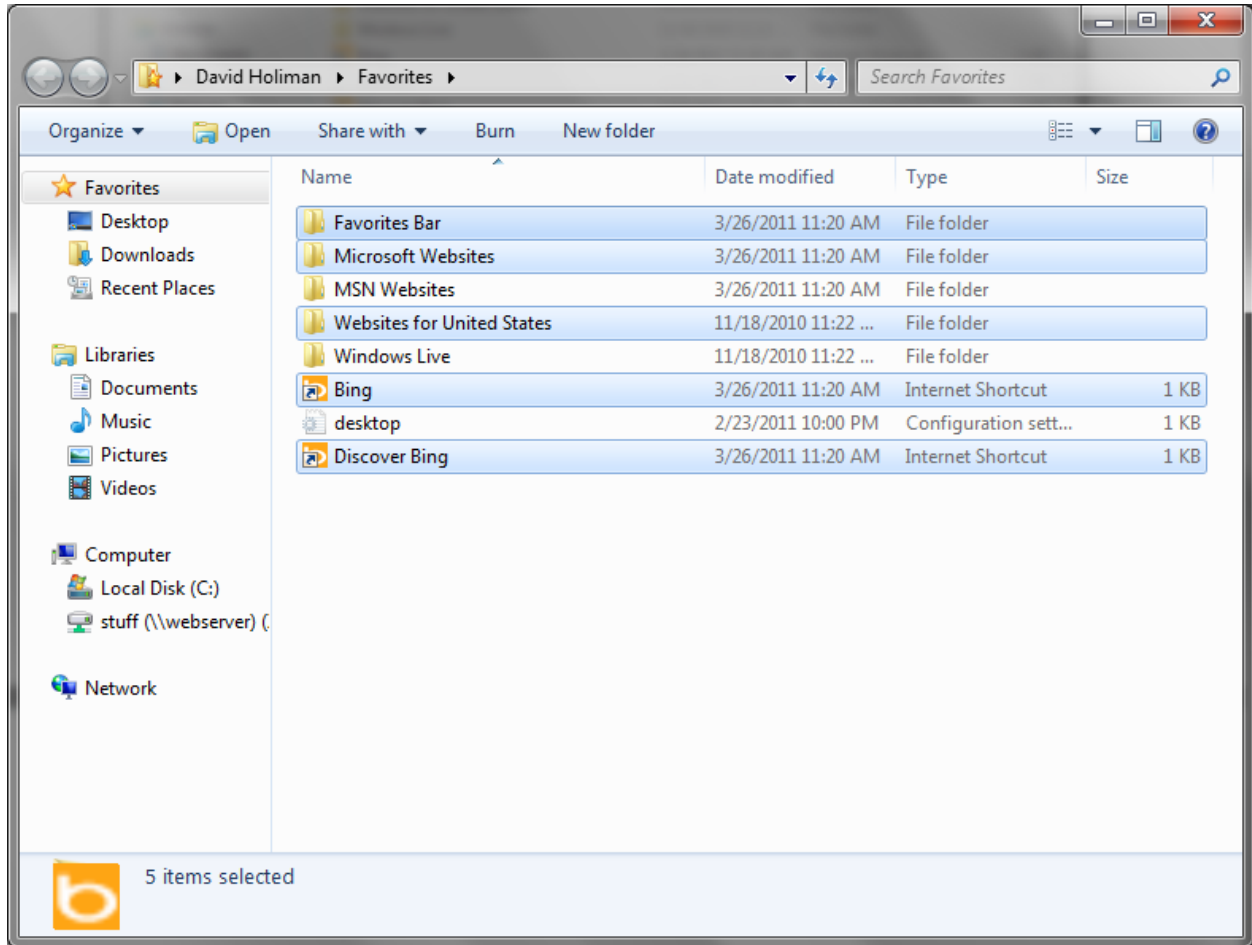

On your keyboard, press the Windows-logo key and R at the same time. The Run dialog box will appear.
Type in "favorites" (no quotes) and press OK.

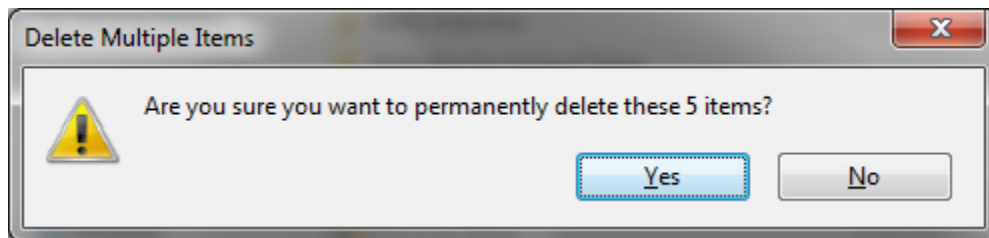

A window showing all your favorites should appear.

To delete multiple favorites entries, hold down the Ctrl key on your keyboard as you use your mouse to select each one. When finished, let go of the Ctrl key.

Next, hold down the Shift key and press Delete. A dialog box should appear, asking if you want to delete the items.

Choose Yes. The favorites you selected are now gone.
